### **SUBJECT: PAYMENT FOR FIELD COURSES**

The University fees structure indicate that students are required to pay **Kshs. 13,000** for field courses. The billing for these field courses for the 2019/2020 academic was effected in November 2020, after majority of students had completed paying the fees.

Following consultation with the Student Governing Council, it has been agreed that billing for the field courses be deferred to enable the affected students sit for examinations. Please note that the billing will be re-introduced after the examinations and thus students are expected to pay the fees next year, 2021.
